HOW TO NAME YOUR PUPPY

It is customary to register purebred dogs using the name of the kennel from which the puppy was purchased as the first part of the pup's official American Kennel Club (AKC) registered name. In addition, some breeders employ a system of naming by theme so that littermates will be easily recognized as such when pedigree information is not furnished. Sometimes a litter is co-bred—i. e. it is a product of a co-owned or leased bitch—and the pups from these litters frequently will carry two kennel names.

The theme for this litter is "Eve." Attached is a list of names that we found correspond to this theme. You may use one of these, or your own imagination. Keep in mind that the AKC limits the length of names, and that spaces between words, apostrophes and hyphens are counted. However, for an additional \$10.00 registration fee, you may use a longer name.

Please note: If you have already decided to call your puppy by a name that does not fit this scheme -- that's fine. More often than not a dog's "call name" bears little or no resemblance to its registered name.

Please let me know as soon as you have decided upon a name so that I may fill out your pup's registration papers as soon as possible. It is a good idea also to have a second choice name in case someone else has already used your first choice. First come, first served!

Sire: Beau Geste River Spey Currency – "RACE"

Dam: Beau Geste K-rysmatic – "CHARIS"

SUGGESTED NAMES

"EVE"

Lots of people enjoy coming up with a registered name and then abstracting a call name from it. Examples are included below. Remember, any name must begin with the prefix "Beau Geste." These suggestions can be expanded or added to, eg. *Beau Geste Special Event (call name Shelly)*, *Beau Geste Evening Rain Eagle (call name Eagle)*, *Beau Geste Dancin' Forever (call name Tango)*, *Beau Geste FroggieEverlasting (call name Kermit)*, *Beau Geste Nostalgia Seventies Party (call name Tali)*, *Beau Geste Simply Evelyn (call name Evelyn)*.

Punctuation and spaces are considered part of the number of letters, but you can use them to effect, so a name like *Beau Geste 60's Part 4Ever @ th'Sokhop (call name Party)*, is considered to be 37 letters long, albeit awkward-looking. Have fun name-playing, and call me if you have questions. For an extra \$10.00, AKC allows a longer name!

Eventually	Evensong	Here There and Everywhere
Forever Amber	Medgar Evers	Clever Clover
Let's Get Even	Evening Primrose	Some Enchanted Evening
Even Steven	Even Keel	Tuck Everlasting
Just Seventeen	EverGlades	Main(e) Event
Evening In Paris	Even Money	Believe in Magic
Pet Peeve	Reverence	Christmas Eve
On The Level	Evening Star	Saturday Night Fever
Leave it to Beever	Seventies Music	New Year's Eve
Never Say Never	Special Event	

You get the idea. The possibilities are endless. Start with these, add your own, use your imagination, and have fun.. You can simply use an EVE name with the name you may have already chosen, as Beau Geste's Margie Eve, if you don't like playing with words. You can add your own kennel name to the shorter ones, or a child's name... whatever. I'll be glad to help. I must say, though, that nothing beats a bad pun!
