HOW TO NAME YOUR PUPPY

It is customary to register purebred dogs using the name of the kennel from which the puppy was purchased as the first part of the pup's official American Kennel Club (AKC) registered name. In addition, some breeders employ a system of naming by theme so that littermates will be easily recognized as such when pedigree information is not furnished. Sometimes a litter is co-bred—i. e. it is a product of a co-owned or leased bitch—and the pups from these litters frequently will carry two kennel names.

The theme for this litter is "U." Attached is a list of names that we found correspond to this theme. You may use one of these, or your own imagination. Keep in mind that the AKC limits the length of names, and that spaces between words, apostrophes and hyphens are counted. However, for an additional \$10.00 registration fee, you may use a longer name.

Please note: If you have already decided to call your puppy by a name that does not fit this scheme -- that's fine. More often than not a dog's "call name" bears little or no resemblance to its registered name.

Please let me know as soon as you have decided upon a name so that I may fill out your pup's registration papers as soon as possible. It is a good idea also to have a second choice name in case someone else has already used your first choice. First come, first served!

Sire: BISS CH Tempo's U've Got What Gets Me SDHF, BISS — "Player"

Dam: Beau Geste OUQTINVU (pronounced Oh, You Cutie, I Envy You) – "Selene"
(pronounced Selenie)

SUGGESTED NAMES

"U"

Lots of people enjoy coming up with a registered name and then abstracting a call name from it. Examples are included below. Remember, any name must begin with the prefix "Beau Geste", which uses 10 of the 30 letters.spaces. These suggestions can be expanded or added to, eg. *Beau Geste U R Special (call name Shelly)*, *Beau Geste UkRaine Eagle (call name Eagle or Rainy)*, *Beau Geste U Dancin' Fool (call name Tango)*, *Beau Geste U Muppet U (call name Kermit)*, *Beau Geste Prince of the Universe (call name Prince)*, *Beau Geste Simply Unique Marvel (call name Marvel)*.

Punctuation and spaces are considered part of the number of letters, but you can use them to effect, so a name like *Beau Geste Queen's U R N OzcR WinR (call name Mirren)*, is considered to be 33 letters long, albeit awkward-looking. Have fun name-playing, and call me if you have questions.

You get the idea. The possibilities are endless. Start with these, add your own, use your imagination, and have fun.. You can simply use a U name with the name you may have already chosen, as *Beau Geste U R My Margie*, if you don't like playing with words. You can add your own kennel name to the shorter ones, or a child's name... whatever. I'll be glad to help. I must say, though, that nothing beats a bad pun!
